The DuraFlex is made with 25% recycled content.

The DuraFlex console is designed with ultra strong poly components that reinforce all the points where traditional consoles fail. The DuraFlex gives you the efficiency, durability and flexibility you need making it an asset to your company for many years.

#### DURABLE

##### Ultra Strong Modular Base

- Protects the door at greatest impact points
- Allows console to slide easily
- Low profile castors can be added for easy movement

##### 190° Nylon Hinges

- Door is out of the way when emptying
- Unlike steel, does not damage the melamine when under pressure

#### FLEXIBLE

- Hinges, locking guard, base and hooks available black or gray
- Customized ID badges to put your name front and center in your customer's location
- One key can open every DuraFlex, Shredinator, PDC and Lockjaw cart

#### EFFICIENT

##### Nylon Hooks

- Easier to hook and unhook
- Bag fits tight. No paper misses the bag
- Prevents collection employees from being scratched and nicked by metal hooks

##### Light Weight Design

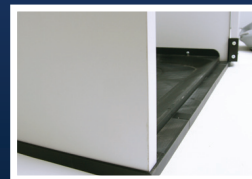

- Lighter weight and improved strength
- Easy delivery and on-site set-up for deployment and re-deployment
